ULTIMATE JORDAN

Jordan

Explore the jewels of the Jordanian kingdom, from the ancient monuments of Jerash and the castles of the desert to the remote landscapes of Dana and Wadi Rum. TRIP INFORMATION

DIFFICULTY

This adventure is of **moderate difficulty**. You will be required to walk for 5 to 6 hours a day on consecutive days. There may be between 500-800m of vertical ascent and the temperatures could reach as high as 35°C. It is essential that you drink plenty of water and stay well hydrated. Pathways are often uneven and care should be taken to avoid slips and trips. You should be in **good physical condition with recent experience of hiking** for several days in row.

To ask about your suitability for this trip and what you can do to prepare please feel free to give us a call.

FOOD & DRINK

Whilst staying in hotels, breakfasts will be taken at the hotel or in small adjoining restaurants. Whilst trekking, we will be accompanied by a cook who will prepare a breakfast of tea, coffee, flat breads, humus, yoghurt, dates and jams.

Lunches are also prepared by our cook. On some of the days, you will be provided with a picnic lunch of traditional breads, pastries, fruit, vegetables, boiled eggs etc. While in the desert, lunches are freshly prepared and will include tuna, rice, salads, humus and local breads.

Hot evening meals are provided each night (except in Amman) and you can expect chicken, lamb meat balls, potatoes, rice, fresh vegetables and salads. We can cater for most dietary requirements on request. In Amman expect to pay roughly 18-20\$ for a meal.

Please be aware that the water in Jordan is not drinkable. Bottled water can be purchased in nearly all towns and villages but not in the desert. We recommend you bring a water bottle with a filtration system to save on plastic waste. Whilst trekking in the desert we will carry an ample supply of filtered water with us.

ACCOMMODATION

On this trip we will be staying in **comfortable 3 star hotel accommodation, guesthouses and on campsites**.

Hotel accommodation will be in twin or double en-suite rooms. Our hotel in Amman is positioned on the outskirts to avoid potentially long delays due to traffic when leaving the city.

In Dana, we use a well equipped **quiet campsite**. You will stay in a fixed camp with twin beds in small but comfortable tents with shared bathroom facilities. Blankets are provided and there is Wifi throughout the camp. In winter when there is a risk of snow we may stay in a nearby hotel instead.

In Petra you will stay in a simple guest house, with the Hasanat family, depending on availability. The place is ideal, quiet, and very well located at the top of the village of Wadi Musa. Here you will get to know your hosts Rana and Fayes, their house, their life in their neighbourhood (and even learning to cook Jordanian mezzes!). Unfortunately they cannot accommodate all groups due to the size of the house. If the house is already occupied, you will stay in an equipped camp, ideally located near "Little Petra", at the gates of the site. It is a "Bedouin" style camp, similar to the one in Dana, with large traditional tents, shared showers and toilets. There is a single electrical socket in each tent which is turned on at night fall. It is a good idea to bring along a multi USB charging hub to make the most of the single socket in your tent. In winter when there is a risk of snow we may stay in a nearby hotel instead.

In the Wadi Rum Desert we will sleep in 3 man tents (2 people per tent unless you requested a single supplement). Mattresses, tents and eating utensils are all provided but you will need to bring your own sleeping bag. As we can only carry a limited amount of water in the desert, there is no water provided for washing on these two nights. We recommend bringing some wet wipes so you can wash inside your tent.

TRANSPORT

All transportation costs including airport transfers are included. We will use comfortable private minibuses with seat belts for travel around the country. Your support vehicle in the desert is a 4x4 pickup with trailer for carrying gear.

LUGGAGE

Bag Weight: 15kg

During your trip your luggage will be transported by vehicle. Your main bag must be flexible (a duffle bag and not a rigid suitcase) and weigh a maximum of 15kg. Your luggage will be transported to your accommodation each afternoon and you will not be able to access it during the day. You should also bring a small day pack to carry water, snacks and anything else you may need whilst walking or sight seeing.

HOW DO I GET THERE?

You will need to arrive in Amman on Day 1 of the trip. Queen Alia International Airport (AMM) is located 30km south of the capital city.

From London there are direct flights to Amman with British Airways and Royal Jordanian. The flight time is roughly 5 hours. Turkish Airlines and Lufthansa both offer indirect flights from Birmingham, Manchester and Edinburgh.

For those traveling from the US, Qatar have convenient flights via Doha from New York, Boston and Atlanta. Turkish airlines offer flights via Istanbul from San Francisco and Los Angeles. British Airways have convenient flights departing from Seattle.

Once you have arrived in Amman, cleared immigration and collected your luggage, please look out for a member of our team in the arrivals area. They will be holding a large "KANDOO" sign.

If you are changing airlines or re-checking your luggage at an airport on route, please ensure you leave a minimum of 3 hours between flights. This will account for any delays on arrival, travel time across airports (this can take longer than you think) and time taken to re-check baggage.

Travelling Responsibly

Here at Kandoo, we like to support our guests to make their travel more sustainable. As of 2025, we are offsetting the carbon on all of our trips from arrival in destination to dropping you back off at the airport. As we don't include flight travel in our trips these aren't included in our offsetting calculations, so we are providing you with the calculator below for you to do this yourselves.

PRE-TREK BRIEFING

Your pre-trek briefing is held in the hotel reception in Amman at 8am on Day 2 of your trip. You will be expected to have had breakfast prior to the briefing.

This briefing is a great opportunity for you to ask any questions you may have before starting the trip and also a chance for the guide to check everyone has the correct equipment and is fully prepared. Please bring your insurance documents and passport to the briefing with you.

BUDGET & CHANGE

The currency in Jordan is the **Jordanian Dinar** (JOD). For the latest exchange rates please see www.xe.com

It is best to take cash in US dollars, GB pound or Euros and exchange it locally. US Dollars are the most commonly used currency so will be easiest to exchange. There is currency exchange next to Baggage Claim as you exit the airport or you can exchange your cash in the currency exchange, hotels or banks, generally these offer the best rates than the airport. Credit and Debit cards are widely accepted and there are ATMs in the larger towns and cities. Travelers cheques are best avoided as you will be charged a hefty commission for exchanging them.

Expect to pay between \$10 - \$35 for a meal out in a local restaurant in Amman. To get around the city, a taxi will cost you around \$5.26 for a 5km journey whereas the bus will be less than \$1. Souvenirs are also relatively cheap so budgeting \$50 for souvenirs will get you plenty! Our recommended guidance for spending budget in Jordan would be between **\$50-100** on top of your tips, to give you ample souvenir spending money.

TIPS

In Jordan "baksheesh" is a national institution where small tips are frequently paid several times a day to numerous people. Your tour guide will take care of this so you do not have to.

You should budget for tips for your lead guide, Wadi Rum guide, cook and driver. The tip amount should be based on the service you feel you have received but \$200-250 per person should provide enough tips for your trip.

Recommended tips per person for your entire trip:

Lead Guide: \$100

Wadi Rum Guides: \$25 each

Cook: \$25

Driver: \$60
