Accommodation: **Hotel**

## DAY 2

### KUTAISI - MESTIA

Today we will have the whole morning and early afternoon to discover Kutaisi - one of the oldest cities in Europe. Wander through its lively streets and be captivated by the warm hospitality of its people. Kutaisi reveals a rich heritage held within sites like the Colchis Fountain and the White Bridge. With a welcoming spirit and fascinating landmarks, Kutaisi promises an authentic Georgian experience that will leave a lasting impression.

Accommodation: **Hotel**

Meals included: **Breakfast**

In the afternoon, we will embark on our journey North. Driving through the scenic mountains, we have time to immerse ourselves in their splendour before reaching the town of Mestia, a step back in time, located in the UNESCO World Heritage site of the Upper Svaneti region. Preserved by the isolation of its surroundings, the medieval villages and tower houses that make up the village of Mestia date back to the 9th century. Here we check into our hotel for the night.

## DAY 3

### MESTIA - ZHABESHI

This morning we follow the lush, green valley of the Mulkhura River as it passes through the villages of Lakhiri, Cholashi, Majvdieri, Chvabiani, and Tsaldashi. We have our first taster of the delightful, traditional architecture of these charming villages before crossing the Gvaldi Pass, from which a scenic, alpine vista is laid out before us. We arrive into Zhabeshi, nestled at the base of Tetnuldi Peak, in the late afternoon and the beautiful slopes of Tetnuldi provide an incredible backdrop to our evening.

Hiking time: **6 - 7 hours**

Accommodation: **Guesthouse**

Meals included: **Breakfast / Dinner**

## DAY 4

### ZHABESHI - ADISHI

The route from Zhabeshi ascends up to a mountain plateau, 2,400 meters above sea level, passing through Tetnuldi ski resort along the way. From there, the path winds its way down to the village of Adishi. A hidden village, secreted away amidst the towering mountains, Adishi is completely invisible until you arrive at it, leaving visitors speechless as they enter this tucked-away delight.

Hiking time: **5 - 6 hours**

Accommodation: **Guesthouse**

Meals included:

**Breakfast / Lunch / Dinner**

#### DAY 5

### ADISHI-IPRALI

The hiking trail from Adishi to Iprali boasts the most incredible views of the region; breathtaking views of the Adishi Valley Glacier, the snow capped peaks of Tetnuldi, Shkhara and Rustaveli towering over flourishing alpine meadows. After crossing a river and conquering the Chkhutnieri pass, the path flattens out, making it a fairly easy plod to reach Khalde village. Here we can rest and have some lunch before setting out again for Iprali. Khalde village has its own historical significance as it is known as a centre of anti-Russian uprising in 1875-1876. Nowadays, only a couple of families live here and run the local guesthouses. The rest of the way is a tranquil meander along the valley floor to Iprali where we are greeted by more stunning views of the surrounding landscapes.

Hiking time: **9 - 10 hours**  
Accommodation: **Guesthouse**  
Meals included:  
**Breakfast / Lunch / Dinner**

#### DAY 6

### IPRALI - USHGULI

This morning we leave the beautiful setting of Iprali and set out to Ushguli. In comparison to the town of Mestia, Ushguli is situated in an even less accessible location, which means it has preserved many of the village's medieval characteristics, including more than 200 of the most well-preserved medieval Svan Towers dating back to the 9th century. An extremely picturesque alpine village.

Hiking time: **4 - 5 hours**  
Accommodation: **Guesthouse**  
Meals included:  
**Breakfast / Lunch / Dinner**

#### DAY 7

### USHGULI - KUTAISI

This morning, we leave Ushguli and head back to Kutaisi, where we will have the rest of the day at our leisure. Explore impressive monuments, such as Prometheus Cave or Gelati Monastery - another UNESCO World Heritage Site, experience the extraordinary local cuisine or simply spend time relaxing at the hotel.

Accommodation: **Hotel**  
Meals included: **Breakfast**

#### DAY 8

### DEPARTURE

We will transfer you from the hotel to the airport in time for your flight home.

Meals included: **Breakfast**

You may wish to carry a water purification system such as a filter or tablets to treat water from natural springs or villages whilst trekking. There are plenty of places to refill your water bottles both in towns and in remote mountain areas, your guide will advise you when and where to refill. Please be aware that tap water in Georgia may not be safe to drink, so you may wish to bring a filter/purification tablets to treat this also.

## ACCOMMODATION

On this trip we will stay in **hotels** in Kutaisi and Mestia. The hotels will be of 4 star standard with double or twin rooms and private bathrooms. Single rooms can be arranged on request and subject to availability.

Whilst trekking we will be staying in local guesthouses in twin rooms with shared bathrooms. Single occupancy isn't always available in the guesthouses and will be reviewed on upon request.

## LUGGAGE

During the trek, your luggage will be transported by an all-terrain vehicle. You should bring two bags with you, a large 80-100 litre duffel bag and a smaller 30-50 litre daypack. Your duffel bag will be transported by the vehicle each day and made available for you at your accommodation each afternoon once the vehicles have arrived. Your daypack will stay with you at all times and should be used to carry spare clothing, water, suncream, lunch etc. A flexible duffel bag or backpack is best for your main luggage.

## HOW DO I GET THERE?

You will need to arrive at Kutaisi International Airport (KUT) on Day 1 of your itinerary. If you would prefer to arrive a few days earlier, we would be happy to book additional hotel accommodation for you on request.

In order to reach Kutaisi it is necessary to have a stopover in Europe. For those travelling from the UK, there are indirect flights from London and Manchester with Pegasus, Ryan Air and Easyjet with layovers in Istanbul or Budapest. If travelling from Glasgow, you will need to go via London.

From the US, Norse Atlantic and French Bee offer the most options, with indirect flights from New York and Miami with short stop overs in Europe. Flights from Atlanta will need to be via New York and Los Angeles.

When you arrive in Kutaisi, please look out for our guide and driver in the arrivals area, where they will be waiting to meet you.

From 1st January 2026, it became mandatory for all tourist entering Georgia to present a health and accident insurance policy. This can be physical or an electronic version and must be in either Georgian or English language. The insurance coverage amount must be at least 30,000 GEL (US\$11200) and should be issued by either a Georgian or a foreign insurance company.

The policy must include the following information:

- Parties (insurance company and insured person)
- Subject of insurance
- Start and end date
- Risks
- Insurance limits
- Amount of premium to be paid
- Place, and terms of payment

The insurance policy must cover the entire period of your stay in Georgia.

*If you are changing airlines or re-checking your luggage at an airport on route, please ensure you leave a minimum of 3 hours between flights. This will account for any delays on arrival, travel time across airports (this can take longer than you think) and time taken to re-check baggage.*

## Travelling Responsibly

Here at Kandoo, we like to support our guests to make their travel more sustainable. As of 2025, we are offsetting the carbon on all of our trips from arrival in destination to dropping you back off at the airport. As we don't include flight travel in our trips these aren't included in our offsetting calculations, so we are providing you with the calculator below for you to do this yourselves.

## PRE-TREK BRIEFING

A pre-trek briefing will be held for this trip in the evening of Day 1 of your trip. Your guide will meet you in the hotel reception area for this briefing.

## **BUDGET & CHANGE**

The currency in Georgia is the Georgian Lari (GEL) and its sign is ₾.

Georgia has a closed currency which means Lari cannot be imported or exported from the country. You can exchange currency at the airport, banks, exchange offices, or with currency exchangers. However, the latter isn't recommended as some exchangers will provide you with counterfeit money. US Dollars and Euros are the easiest currencies to exchange. The National Bank of Georgia and TBC bank are considered to be credible banks to exchange your money with. Credit and debit cards are widely accepted at restaurants and larger shops in the big cities. If you are planning to carry a credit card for emergencies, please inform your card provider in advance. ATMs are also available in the bigger cities to withdraw cash, if you have a pre-paid card such as Monzo or Revolut this can often be done without exchange charges.

The only way to pay for things once you leave Kutaisi is in cash. Cards are not accepted in the smaller towns and villages so you will need to carry enough cash for snacks, drinks and any personal expenses.

The average cost of a three course meal in Kutaisi is around ₾60-80 (\$20-30). A taxi ride will generally start at ₾2 (\$0.75) whereas a one way bus ticket for a 10 minute journey will be around ₾0.4 (\$0.15). It is a fairly a cheap place to eat out and travel compared to Western standards and if you are wanting to buy some sulguni cheese or churchellato take home then these generally cost anywhere between ₾15-270 (\$5-\$100) for gifts that will pack into your main bag. Don't forget you will also need to budget for drinks too. A bottle of water might cost you \$1 to \$2, while a local beer can be around \$2 to \$4. We would recommend a budget of \$250 for your time in Georgia.

## **TIPS**

Tipping when you are satisfied with the service you have received is customary in Georgia. However, it is not mandatory and should be left to the discretion of each individual. We recommend a budget of 8 - 10 GEL (equivalent to US\$3 - \$4 / £2 - £3) per person per day for tips. Tips should be given to your lead guide who will distribute them with any support crew. These should be paid in the local currency.

# FORMALITIES & HEALTH

## PASSPORT

Please double check that your passport is valid for 6 months beyond the date of arrival in Georgia. We recommend that you take a photocopy of your passport and keep it separate from the original, and this will be useful if the original is lost while you are travelling.

## VISA

Travelling to Georgia is visa free for up to one year, for UK and US citizens. For other nationalities a visa may be required. Please check this with your embassy.

## VACCINATIONS

There are no specific health risks in Georgia. However, you should ensure that your routine vaccinations and boosters are up to date, such as tetanus and MMR.

## INSURANCE

It is your responsibility to ensure that you are fully and adequately insured for the duration of your trip. Please ensure that all activities, excursions and destinations in your itinerary are included in your travel insurance policy, in addition to your regular cover for cancellation and medical expenses. If you are climbing Mount Kazbek, you will need to be covered for trekking up to 5100m and using fixed ropes. We ask that you keep a copy of your policy summary (containing policy number and the emergency contact number for your insurer) in your day sack at all times, so that we can access this information should we need to contact the insurer on your behalf.

## MEDICATION

Please note that Georgia has a very strict anti-drugs policy. This can also cover prescription and non-prescription medicines commonly available in the UK and US. For example, non-prescription medicines containing codeine are illegal.

If you need to bring prescription medication with you to Georgia, please also bring your signed Doctor's prescription and the original packaging for the medicine.
