

8-DAY ADVENTURE

SUMMITS OF THE LOFOTEN ISLANDS

Norway

A one week trip hiking in arguably one of the most beautiful places on Earth. Beyond the Arctic Circle, in the permanent light of summer, we traverse the southern part of the Lofoten Islands, exploring the most mountainous and spectacular part of the archipelago. Colourful fishing villages nestle in emerald coves fringed with white sand beaches. Lush pastures, mysterious moors and rocky summits, with breath-taking panoramic views, set the scene for our excursions.

From the unusually-named village of Å to Nusfjord, this programme offers a heady mix of wild nature and adventure, as well as distilling the island's laid back atmosphere, which live by the rhythm of the comings and goings of small fishing boats laden with cod.

In addition to the many sheep that populate this path, numerous seabirds also nest in this region, including the famous sea eagle. PLEASE NOTE

The details in this programme are regularly updated but unforeseeable and unpredictable circumstances may result in inaccuracies. In order to provide the adventure which is best suited to your demands, the weather and the operational conditions, changes to the itinerary may be made.

TRIP INFORMATION

DIFFICULTY

The mountains in Norway are not to be underestimated, they are steep sided and often rise directly from sea level, so your legs will be getting a good workout. Yet, whilst a high level of fitness will make the days a lot easier it by no means requires super human fitness. A solid training plan will allow you to better prepare for the hikes and enjoy your trip. This adventure is of **moderate difficulty**. On some days we will have up to 800m of ascent on rocky and possibly slippery ground. Trekking poles are also a lifesaver!

If you are comfortable walking for 6-7 hours with an ascent of 800m over consecutive days then you are certainly fit enough to succeed on this trip. Think of it as climbing Snowdon or Ben Nevis every day for six days! If you can do this then there is no reason why you won't be absolutely fine on this trip. We find that all successful hikers share a real *Kandoo* attitude and that means high levels of grit and determination.

FOOD & DRINK

Food:

We are proud of the fresh and frankly delicious food we provide despite latitudes of 68° North. Each day begins with a hearty breakfast with plenty of tea and coffee. Each morning, you will assist your guide in preparing a picnic lunch for the whole team for day featuring local foods: sandwiches, salads, fruits, cakes and dried fruits.

Your help in the kitchen is expected and much appreciated, particularly in the evenings with food prep and washing up. We like the whole group to work as a team to cook dinner, it creates a pleasant atmosphere as we reflect on the days adventures together. During your stay, you will have the opportunity to taste grilled or smoked salmon (laks), water-cooked and fresh shrimp (reker/ferske reker) and cod (torsk).

Drinks:

Do not forget that alcohol and cigarettes are heavily taxed and expensive in Scandinavia. If you wish to enjoy an aperitif with your group in the evening we recommend purchasing duty-free products at the airport.

ACCOMMODATION

BODØ

In Bodø we will stay in comfortable hotel accommodation in twin or double ensuite rooms.

LOFOTEN

Rorbu offer an unusual and authentic trip highlight. They are comfortable, traditional cabins used by fishermen from January to April. One house suits 2 to 6 people and includes kitchen and bathroom facilities with hot showers, flushing toilets and Wifi. Depending on availability you may be in small twin rooms or dormitory style bunks. Please note that in the wilder regions of Norway, accommodation is scarce and often small, meaning that the level of comfort and equipment of each cottages remains variable. When showers require a fee, we will provide you with one token per person per day.

TRANSPORT

You will be escorted by private minibus. This trip also includes airport transfers and ferry transportation

LUGGAGE

Your main luggage will be transferred by vehicle to your accommodation each night so all you will need to carry during the day will be a small daypack.

Please bring a small rucksack 20-30L to use as a day bag. You can bring this as hand luggage on the aeroplane. You will carry your lunch, water, spare layers and any personal medication with you in this bag. You will also need a larger bag to store your other clothes and belongings in. Please ensure that this is a soft bag like a rucksack or holdall / duffel bag rather than a hard cased suitcase because it is more practical to transport. We recommend packing your clothes in plastic bags or drybags so that they stay dry in the event of wet weather.

HOW DO I GET THERE?

You will need to arrive at Bodø Airport (BOO) on day 1 of your itinerary where a member of our team will be waiting to greet you.

From the UK, SAS have convenient flights from Heathrow and Manchester via Oslo, the journey time is roughly 6 hours. Norwegian Airlines also offer flights from London Gatwick and Edinburgh via Oslo.

For those travelling from the US, SAS offer flights from New York via Oslo. You can also fly with SAS from San Francisco connecting through Copenhagen or New York and then Oslo. Travellers from the west coast also have flight options with Iceland Air and Lufthansa.

If you are changing airlines or re-checking your luggage at an airport on route, please ensure you leave a minimum of 3 hours between flights. This will account for any delays on arrival, travel time across airports (this can take longer than you think) and time taken to re-check baggage.

Travelling Responsibly

Here at Kandoo, we like to support our guests to make their travel more sustainable. As of 2025, we are offsetting the carbon on all of our trips from arrival in destination to dropping you back off at the airport. As we don't include flight travel in our trips these aren't included in our offsetting calculations, so we are providing you with the calculator below for you to do this yourselves.

[eC02 Flights Calculator](#)

Alternatively if you wish to travel more responsibly, then there are other ways to reach Bodø. [The Man in Seat 61](#) and [Rome to Rio](#) suggest optimal routes from London to Oslo, then Oslo onwards to Bodø. These take a few days, meaning you can start your holiday early! Expect to pay more for trains and ferries than the cost of a flight, at around £300-350pp each way, but be rewarded with time to marvel at the passing scenery and have a delightful breakfast at sea.

If you decide to travel this way, get in touch and let us know, because we like to reward our responsible travellers!

PRE-TREK BRIEFING

It is a requirement of joining any of our trips that you attend a briefing before the trip begins. This gives our guide the opportunity to review the plans for the trip with you, make sure you have all the right gear and answer any questions you may have. Your pre-trip briefing in Bodø will take place at your hotel on the evening before you leave for the Lofoten Islands early the next morning. Please bring your passport and insurance to the briefing so that we can check our paperwork in advance of your trip.

BUDGET & CHANGE

The currency in Norway is the Norwegian Krone (KR). You can withdraw the local currency from ATMs and payment by card is widely accepted. Please budget for meals and transport as necessary, drinks, tips, museum entry fees and other personal expenses. Norway can be expensive and a meal out for two can cost at minimum GBP £60 (USD \$70). Bodø is a relatively small city and from our hotel there are plenty of restaurants and places to see within walking distance, however if you wish to take the bus the fares are around £4 for a 10 minute journey. Taxis in Norway are also insanely expensive, expect to pay somewhere in the region of £15 for a 5 minute journey...it's definitely worth going by foot where possible. Therefore, our recommended guidance for spending budget in the Norway would be roughly **£200** (2600 NOK) on top of any tips, to give you ample souvenir spending money.

TIPS

Tipping customs vary all over the world and can be very confusing when travelling to a new country. Tipping is always appreciated - it is not obligatory and should be left to the discretion of each individual in Norway. Tips are not a substitute for good wages: our guides are all well paid and well looked after. If you are satisfied with your guide's services, we recommend a tip between **£30-40 per person** (equivalent to 350-450 NOK) for the entire trip. On the other hand, if you receive bad service or have not been treated well, you would not be expected to tip at all.
