The amazing Tre Cima di Lavaredo. These three giant monoliths have been enticing trekkers and rock climbers for over 100 years and it is easy to see why. Cima Grande, the highest point at 2999m is flanked by Cima Ovest on one side and Cima Piccola on the other. The main peak was first climbed in 1869 but it was not until 1933 that the mighty north face of Cima Grande was first scaled by Emilio Comici. # TRIP INFORMATION

## DIFFICULTY

This adventure is of **moderate difficulty** as although the trekking days are consecutive, you will be able to get a good rest each evening at the hotel.

The terrain in the Dolomites can be steep and loose underfoot, so we would highly recommend bringing trekking poles. Depending on when you choose to travel you may experience a whole range of weather conditions. In the summer months the weather can be very hot and the sun intense, which adds to the difficulty of the hiking. In the late afternoon this can often break with huge thunderstorms rolling through the valleys. Ideally you need to be off the mountains before these begin, so a good level of fitness will be necessary to complete these treks.

The maximum distance you will cover in a day is 19km over undulating terrain with some steep ascents and descents as you cross the mountain passes. You should be in good physical condition with recent experience of hiking for several days in row with over 1000m of ascent and descent in a day. To ask about your suitability for this trip and what you can do to prepare please feel free to give us a call.

## FOOD & DRINK

This adventure in the Dolomite is **full board**. Italian gastronomy is one of the **richest and tastiest in the world** and we are confident you will love the meals we provide. A continental style breakfast is served at your hotel each morning. There will be yoghurt, fresh fruit, a range of pastries, cheeses, cold meats and a selection of hot options along with plenty of tea and coffee. Each day your guide will prepare a picnic lunch for you to carry in your daypack. This will usually consist of a freshly made sandwich with bread from the bakery, some snacks and a piece of fruit. Evening meals will be taken either at the hotel or at a nearby restaurant. At the hotel there will be a choice of two starters and main courses for you to decide between and a dessert for afterwards. In Italy, the first course often tends to be the most filling, whereas the second course is all about the flavour, so don't be alarmed if your starter is equivalent in size to a main meal!

If you have special dietary requirements please inform us as soon as possible after booking your trip. We will work with you to ensure your needs are met.

## ACCOMMODATION

On this trip we will stay in one **hotel** in Cortina d'Ampezzo for the full duration of your stay. The hotel will be of 3 star standard with double or twin rooms and private bathrooms. Single rooms can be arranged on request and subject to availability.

Your room will have a safety deposit box for valuables and free WiFi is also available. From the back of the hotel there is a cycle way which takes you down into Cortina. The hotel is roughly 2km outside of the main centre of Cortina, and takes around 20 minutes to walk.

## LUGGAGE

We advise you to bring a 30-40 litre day sack to carry with you each day containing your lunch, water, spare clothing and camera etc. A larger 60-80 litre duffel bag for the bulk of your luggage can be left in your hotel room each day.

## HOW DO I GET THERE?

Venice Marco Polo Airport (VCE) is the closest airport to Cortina D'Ampezzo.

For those travelling from the UK, Easy Jet have direct flights from London Luton, Manchester, Bristol and Liverpool. British Airways also have direct flights from Gatwick and KLM provide convenient flights via Amsterdam from Glasgow, Edinburgh, Birmingham and Leeds.

If you are travelling from the USA, American Airlines fly direct to Venice from Philadelphia and Delta fly direct from New York.

Swiss Air have convenient flights via Zurich from San Francisco and Alitalia have the best flights from Los Angeles with a short stop in Rome.

You then need to make your own way to our pre-trip hotel. The best way to do this is to book a [Flixbus](#) transfer - these are direct between Venice Marco Polo Airport and Cortina D'Ampezzo bus station and cost around £40-50 (\$52-65) for a return ticket. From the bus station in Cortina, either take a short 5 minute taxi ride or take the A1 bus to *La Verra* bus stop which is right by your accommodation. The rest of your team and your guide will meet you there. For bus timetables in Cortina follow this [link](#).

### Travelling Responsibly

Here at Kandoo, we like to support our guests to make their travel more sustainable. As of 2025, we are offsetting the carbon on all of our trips whilst in destination. As we don't include flight travel in our trips these aren't included in our offsetting calculations, so we are providing you with the calculator below for you to do this yourselves.

### [eC02 Flights Calculator](#)

Alternatively, if you wish to travel more responsibly, then there are other ways to reach Cortina D'Ampezzo. [Flixbus](#) and [BlablaCar](#) offer routes from London to Venice with a change in Amsterdam. These take around 33 hours and tend to cost between £50-£100 each way. The other option is to travel by train. This is a much quicker option taking between 20-22hrs London - Venice, with changes at Paris, Zurich and Milan, however this does come at an increased cost. Expect to pay around £250-300 each way on an advance ticket. Tickets can be found at [Rail Europe](#). From Venice you will be able to take the Flixbus transfer, already mentioned, to Cortina.

## BUDGET & CHANGE

The currency in Italy is the **Euro** (EUR). For the latest exchange rates please see [www.xe.com](https://www.xe.com).

Foreign money can be exchanged at the Global Exchange in Venice airport on arrival or you can bring money already exchanged with you, as both these are open currencies. The only places that exchange foreign banknotes are bureau-de-change which can be found in large cities. You will, however, be able to withdraw money from ATMs in Cortina D'Ampezzo on Day 1 of your trip.

The simplest way to pay for things in the Dolomites is to use an international credit card or debit card. Visa and Mastercard are accepted everywhere alongside standard travel cards such as Monzo and Revolut. You may wish to have some Euros to hand, to pay for smaller items or souvenirs in case the trader does not accept cards. Credit and debit cards are also not accepted at the mountain refuges so you will need to carry enough cash for snacks, drinks and any personal expenses.

The average cost of a meal for 2 in Cortina is around €50 (\$55). Its not a cheap place to eat out. If you are wanting to buy some souvenirs to take home then these generally cost anywhere between €5 (\$6) for small items to €500 (\$550) for larger more bespoke gifts. Don't forget you will also need to budget for drinks whilst in the refuges too. Therefore, our recommended guidance for spending budget in the Dolomites would be roughly €220 on top of any tips, to give you ample souvenir spending money.

## TIPS

Tipping customs vary all over the world and can be very confusing when travelling to a new country. Please note - tips are not a substitute for good wages: our guides are all well paid and well looked after. Tipping is completely voluntary, and at your discretion. If you are unsure of how much to tip, we recommend a general guide of €80-100 per person for the entire trip. On the other hand, if you receive bad service or have not been treated well, you would not be expected to tip at all.

# FORMALITIES & HEALTH

## PASSPORT

Most travellers will require a passport valid for at least 6 months after your return date. It is your responsibility to confirm your specific requirements and please be aware that proof of onward travel may be required.

## VISA

Travelling to Italy is visa free for up to 90 days, for UK and US citizens

## VACCINATIONS

No vaccinations are required.

## INSURANCE

It is your responsibility to ensure that you are fully and adequately insured for the duration of your trip. Please ensure that all activities, excursions and destinations in your itinerary are included in your travel insurance policy, in addition to your regular cover for cancellation and medical expenses. Many insurance policies will have a maximum altitude limit, if you are climbing Gran Paradiso you should ensure you are covered for climbing up to 4100m.

We ask that you keep a copy of your policy summary (containing policy number and the emergency contact number for your insurer) in your daypack at all times, so that we can access this information should we need to contact the insurer on your behalf.

## MEDICATION

Your guide carries a first aid kit at all times but we recommend you carry the following items: - Painkillers - Sunscreen for lips and skin - Moisturising cream (for sunburn) - Elastic bandage, regular bandages and Blister bandages - Sanitary products

# EQUIPMENT & CLOTHING

## CLOTHING TO BRING

We prefer that you do not wear cotton clothing, including underwear, when participating in activities. When cotton gets wet from water or sweat it ceases to insulate and does not dry quickly. The best materials for outdoor activities are fast drying materials like polyester or materials which are warm when wet like wool. The most powerful materials against the wind and rain are 'breathable' materials like Gore-Tex or Nikwax.

- Warm hat (beanie)
- Sun hat with wide brim for protection
- Sunglasses
- Neck gaiter or scarf
- Suitable quick drying underwear
- Light gloves
- Walking boots (with ankle support and sturdy soles)
- Socks (quick drying and not too warm)
- T-shirts and warm jumper
- Fleece or soft shell jacket
- Waterproof and windproof hard shell jacket
- Walking trousers and/or shorts
- Pajamas and toiletries
- Comfortable shoes for the evenings
- Waterproof trousers

## EQUIPMENT TO BRING

- Head torch and spare batteries
- Water bottles or hydration pack
- 30-40 litre day pack
